SUBJECT: Authorization to Use Government Supply Sources

Pursuant to contract clause FAR 52.251-1, Government Supply Sources (Apr 2012), MIT Lincoln Laboratory is authorized to use GSA supply sources in the performance of contract FA8702-15-D-0001. This authorization entitles the contractor to acquire property for use under Contract Nos. FA8721-05-C-0002 and FA8702-15-D-0001 which are available for purchase or lease by Government agencies either directly from the General Services Administration stock or under Federal Supply Schedules.

Purchase Orders under Federal Supply Schedule Contracts will be placed in accordance with the terms and conditions of the applicable Federal Supply Schedule and this authorization. A copy of the authorization shall be attached to the order (unless a copy was previously furnished) and shall contain the following statement:

This order is placed pursuant to written authorization dated 17 SEP 2018. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule Contract, the latter will govern.

Orders for items in the GSA Stock Catalog and GSA self-service stores will be placed in accordance with the Military Standard Requisitioning and Issue Procedures (MILSTRIP) and this authorization. Bills are not issued by GSA until after shipment has been made and paid promptly. Any adjustments necessary will be made by GSA subsequent to payment.

Title to property purchased and delivered hereunder shall vest in the United States Government.

The authority hereby granted is not transferable or assignable, except that with the prior approval of the Contracting Officer this authorization may be extended to subcontractors.

The DoD Activity Address Directory (DODAAD), AFM 75-6, Activity Address Code to which this authorization applies is EY7157. The contractor shall comply with the applicable policies and procedures prescribed in FAR Subpart 51.1. This authorization expires 30 SEPT 2019.
