

The Tech Note on LDDRS that you are seeking has been retired. The disaster response system described in that Tech Note has been further developed and renamed the Next-Generation Incident Command System, and a new Tech Note has been published on the current system.

The URL for that is [http://www.ll.mit.edu/publications/technotes/TechNote\\_NICS.pdf](http://www.ll.mit.edu/publications/technotes/TechNote_NICS.pdf)
